TUESDAY .:

The New York Journal of Commerce and Tribune each charge the friends of Fillmore with making alliances with the opposite parties. The Journal charges that the Fillmore men are to give the electoral vote of Peunsylvania to Fremont in return for the State officers to be elected on the 1th ult .- Commonwealth,

And we have not a shadow of doubt of the truth of the assertion. We are strengthened in this conviction by a conversation with a Kentucky old-line Whig, who left Kentucky three months ago a strong Fillmore man, and has been residing in New York ever since. He informed us that the Fillmore party in New York is utterly rotten-that two-thirds of even the Silver Gray Whigs are abolitionists, and are every day deserting to the Fremont party. We says that the only men who will vote for Fillmore in New York are the fools and fanatics of the Know Nothing party, who are all abolitionists, but whose ferocious hate of foreigners and Catholics induces them to waive the abolition question for the present, and vote for Fillmore upon the Know No-

The same gentleman says Fremont will carry New York by a large majority, but that his only opponent is Buchanan-that the whole democratic party of New York is entirely sound on the slavery question, and that they are the only party there which is not abolitionized. He conversed freely with men of all parties, and he was Southern men. He foun I them, without exception, occupying the same position on the slavery question with the Democrats of Kentucky.

And these are the men whom the Kentucky Know Nothings are attempting to prostrate. And these Fremont Abolitionists are the men whom the Louisville Journal advises Northern Kuow Nothings to vote for,

Gov. FLOYD'S SPEECH -Gov. Floyd delivered a speech at the New York Merchant's Exchange last Thursday. The Herald says the point of it was that he declared himself ready to cast the electoral vote of Virginia for Fillmore, if he ould thereby defeat the Republican candidate.

It is a remarkable truth, that the Democratic party, both North and South, all speak with one voice on this subject; and like Gov. Floyd would cast their votes for Fillmore rather than see Eremont elected. On the other hand, however, be added to the Union! nearly the whole mass of the Fillmore party in the North, and a very large number of them the South, avow their preference for Fremont over Buchanan, while their organ in Kentucky, the Louisville Journal, openly advocates the election of the Abolitionist Morton, for Governor of Indiana, over that sterling national man and friend of the South, A. P. Willard. The lack of true patriotism on the part of the Fillmore party is clearly illustrated in this respect. Let the South mark it.

SQUATTER SOVEREIGNTY .- It seems to be the mission of the political knaves and asses throughout Kentucky, to make as much noise over this foul abolitionism and their treasonable recreancy to the South. The Louisville Journal, the Frankfort Commonwealth, and the Fillmore crators everywhere, are groaning over "Squatter Sovereignty," and charging the Democratic party with being in favor of it.

There is not a man who makes such a charge, but knows that he is a liar when he makes it. There is no one who would make it, but an igno-

In 1854, when this question of Squatter Sov it was voted down by the Democratic party, and souri restriction, and say the Kansas-Nebrasks voted for by the whole Northern Whig party

And this has been the history of this measure. The Northern Whigs, aided by a few dirty dogs peace of the country." The most of them are and traitors in the South, have always contended in favor of the restoration of the Missouri refor it, while the Democratic party as always op- striction.

Consistency.—The Democracy of the Lancaster, Pa., Congressional district have nominated Hon Isaac E. Heister as a candidate for Congress Mr. Heister was a member of the thirtyand Congress-made a strong speech against He was at that time a Whig .- Common-

We would stake our existence that the above statement is a lie-an out-and-out, unmitigated lie. If Heister ever was a freesoiler, it was when he was a Whig. Nearly all Northern Whigs were and are abolitionists. But when Heister turned Democrat (if there is such a man and be ever did turn) he was, as a matter of course, compelled to give up his abolitionism.

Soon after the passage of the Kansas bill repealing the Missouri Compromise, the Georgia Legislature, irrespective of party, passed unanimously, the following resolution.

Resolved, That opposition to the principles of the Nebraska bill, in relation to the subject of slavery, is regarded by the people of Georgia as hostility to the rights of the South, and that all persons who partake in such opposition are unfit to be recognised as component parts of any or-ganization not hostile to the South."

Time passed on and Mr. Fillmore was nominated for the Presidency. He said "the repeal of

of the Louisville and Nashville Railroad took place yesterday morning. The usual reports were made, and James Guthrie, James B. Alex and F. D. Newcomb, Thomas Quicley, James B. Hartsoch of La., D. G. G. Recorder; J. R. Hartsoch of Iowa, G. G. C. B. peed, John W. Anderson, and Eugene Under-

It was the great national Democratic party. I gave us Texas, forced on us the Mexican war and their trains of slavery—the repeal of the Missouri Compromise—the power to carry slavery into the Territories, and forced every one of us to fight the great battle in opposition. What was it that gave all these things to the American people, the election of Franklin Pierce included? The purchased Irish vote—the foreign vote. The greatest the parameter lossion, then was not greatest, the paramount question, then, was not that of slavey, but, of native Americanism.

How do Southern Fillmorenes relish such sen- asked rather indignantly iment, coming from their national brethren or New England? Can they, by further affiliation with the secret Order, give aid and comfort to the enemies of the South, who make war upon and persecute the adopted citizens upon the avowed ground that the latter, in resisting abolition, have aided in giving to Southern men something like equality of rights? Is not Native Americanism at the North the handmaiden and potent nstrument of anti-slavery? Its effect has been to introduce into the two Houses of Congress the worst elements of anti-slavery, and the present boldly declared purposes of Massachusetts Fillmorenes is to keep up the war upon naturalized citizens, and to give new impetus to schemes of abolition aggrandizement and aggression on

Elections.

The election in Indiana takes place next Tuesday, the 14th of October. A Governor, thirteen members of Congress, and members of the Legislature are to be elected. The Fillmore party constrained to the conviction that the Democrats have no candidates. The contest is entirely beare the only party who deserve the sympathy of tween the Democrats and Abolitionists. The Fillmore party have almost to a man ranged themselves on the side of the Abolitionists.

The Hon. A. P. Willard, a true-hearted National Democrat, is the nominee of the Democratic party, standing on the platform adopted by the Democratic National Convention at Cincinnatl, and fighting under the banner of the Union and the Constitutional rights of all the States of the Union-defending the Fugitive Slave Law and the Kansas-Nebraska bill.

Judge O. P. Morton is the candidate of the Abolitionisis. He stands upon the platform adopted by the Abolition Convention which met at Pittsburg on the 22d of February last-fighting under the banner of Fremont, Freesoil, Free Kansas, Free Negroes-and with the defiant declaration that he would rather see the Uhio river run red with blood, than that another slave State should

The Democrats and Black Republicans have a full ticket, and the Fillmoreites a ticket in a few of the districts. In most of the districts, howver, the Fillmore party have fosed with the Black Republicans, and rival them in their denunciations of the South. Both oppose the Kansas-Nebraska bill, and the Fugitive Slave Law, both take ground against adding any more slave States to the Union. On the other hand, the Democrats stand upon the Cincinnati platform adopted by the National Democratic Convention, brotype is made; and where eight different stlye pictures and defend the Nebraska bill, the Fugitive Slave can be had. Something entirely new will in a few days matter as possible, and thus attempt to hide their Law, and the Constitutional rights of the Southern States.

In Pennsylvania an election also takes place next Tuesday. The contest is for Canal Commissioner and for members of Congress. The Fremont party have no candidate for Canal Commisioner. The candidate of the Fillmore party is a Know Nothing-Abolitionist, and the Fremont party have adopted him and all go for him. He was "good enough for them," and they would not run a candidate against him. The candidate When Mr. Calboun took position against the of the Democrats is an old fashioned States, doctrine of Equatter Sovereignty in the Senate Rights man, standing on the same platform with of the United States, years ago, he was sustain

It is richly worth a pe on Market street between Tenth and Eleventh, and has constantly on hand a full supply of pure and fresh Drugs and Medicines.

Obvious and families may be assured of getting their removing pains, than any other medicine ever offered to the public. And these testimonals come not alone from the ignorant, but from perpersons of every degree of intelligence, and every

rank of life. Physicians of the first respectability and perfectly conversant with the nature of diseases and remedies, have recommended this as one of the most effectual in their line of prepar ations for the extinction of pain. As an internal remedy the Pain Killer has no equal. It will cure Cholera, Cholic, Summer Complaint, Dysentary, Dyspepsia, Asthama, Rheumatism, &c., by taking it internally and bathing with it freely. It is the best liniment in America. Its action is like magic, when exter nally applied to bad sores, bruises, sprains burns and scalds, either on man or beast. For sic head-ache and tooth-ache, don't fail to try it.-

Another object of much attention, is a spler did trunk exhibited by D. O' Hare: it was made at the manufactor

of Mr. O'Hare, by two of his workmen-Mr J. P. Mayle and Mr. J. C. Keen. The mechanical execution is in the finest style of workmanship, while the ornamenting is elaborate and very tasteful. It is called a "Bureau Trunk," and can be used for all the purposes of a bureau, ladies' toilet, writing desk and trunk. The inside of the trunk is beautifully embroidered in gold and silver. We think the workmanship displayed in getting up this trunk cannot be excelled, and reflects great credit on the two young

mechanics who made it. We next noticed a "love of a bonnet" manu factured by

Mrs. G. R. Hand, are very pretty; so also are two boquets of hair, by B. Hastell. A toilet case made by Mise Paulina Goldberg,

It is greatly feared that the late frosts of which we have accounts from most of the tobacco growing country, will seriously injure the crop, and consequently raise the price of that staple onsiderably. The estimates of the crop in the early part of the season pointed to an increase of some 50 to 60 per cent. upon the crop of the previous year, but the receipts, as seen, are only slightly in excess of those of 1854-5. This has resulted mainly from the prevalence of unfavorable weather at the usual time of handling and prizing, which delayed the preparation for market until a period when the planters were compelled to turn their attention to arrangements for another crop; and when the necessary preparations had been completed, the fall of water in the tributary streams prevented the forwarding of a considerable portion of the crop, the quantity remaining in the interior being estimated at 18,000 to 25,000 hhds. Dealers and shippers, therefore, have been disappointed in their expectation of materially increased receipts, and have also been disapponted in the character of the crop, the quality proving much below the ex-

pected average. With respect to the growing crop, it seems to be generally conceded that it must be materially short of the product of last year, as the planting, n consequence of unfavorable weather, was delayed until an unusually late period, and in city, has received from our government a warrant authorizing the arrest of the three fugitives, railusual favorable progress. The importations of desirable Goods, large as they have been in our market, appear likely to fall below the demand for consumption. Black and all staple colored Silk Goods are getting and all staple colored SHK GOOUS are getting scarce. French Merinos are selling off rapidly, and the jobbers are beginning to find their sup-ply below the demand for their customers. The backwardness of traders and dealers in the early part of the season, occasioned by a feeling that the importations were excessive, and that the yellow fever might prevail, has been more than

made up for.
Some of our daily cotemporaries, who foretold prices, are now proved to be false prophets. In-stead of the apprehended surplus of desirable Goods, there appears actually a short supply. Pain in the pit of the stomach, or towards the right side,

Depression of spirits and irritability of temper, &c.
If a case of dyspepsia should be neglected, most serious
fects may ensue, for it lays the foundation for, is the inpient cause of, and very frequently terminates in conmption. I would impress upon the mind that to trifle

This medicine is prepared entirely from vegetable substances; the most deheate stomach can bear it conveniently, and it is given with perfect \*afety, in minute doses to the most tender infants, its properties being of a strengthening and invigorating nature. It is nearly put up in bottles, with ample directions for use.

The rollowing testimonials from some well known and respectable cutzens of Philadelphia, are fully corroborative of the tried efficacy of the Anti Dyspeptic Elixir.

Attetsation. We, having used William's Anti-Dyspectic Elixir with the most perfect satisfaction and success, take great plea-sure in recommending it to all persons suffering with Dys-pepsia, as we are fully convinced of its most estimable qualities an restoring the digestive powers, removing all pain and uncasiness, and imparting a healthy tone to the Homach.

Williams's Anti-Dyspeptic Edition

Doctor James Williams: For several years past, I have been liable to attacks of Dyspepsia; but never have 6 been more distressingly afflicted with its symptoms, than within the last few weeks. Indigestion, nervous irritability, despondency, a sense of weight in the stomach, and severe pains in the left side, rendering me, for the time being, truly wretched. Forthately, I was recommended by a friend to try your Elixir. I did so, and in tess than two weeks, indigestion ceased; pain and nervous depression left me, and appetite, with mental and bodily health, were fully restored. To me the cure seemed almost in raculous, and my object in writing to you is—a hope that other persons suffering the miseries of Dyspepsia will avail themselves or your efficient renedy.

I am, dear sir, yours truly.
